POLICIES AND PROCEDURES

3050 IN-SERVICE TRAINING

I. POLICY

The purpose of In-Service training is to provide Utah law enforcement officers with the opportunity to obtain the knowledge and skills necessary to perform their duties in a professional and skillful manner. To this end, and to satisfy the requirements of Utah Code Ann. § 53-6-202, Utah Peace Officer Standards and Training will provide an In-Service training program that addresses the needs of the Utah law enforcement community.

II. STATUTORY 40 HOUR TRAINING REQUIREMENT

Utah Code Ann. § 53-6-202 requires "all peace officers to complete such annual certified training as the POST Director, with the advice and consent of the POST Council, shall direct; provided, however, in no event shall such training consist of less than 40 hours per year." All law enforcement agencies seeking to have In-Service credit granted should adhere to the standards and procedures established by POST and the POST Council.

III. STATUTORY 20 HOUR TRAINING REQUIREMENT (for Dispatchers)

Utah Code Ann. § 53-6-306 (3) (a) requires A certified dispatcher shall complete annual training approved by the director of 20 hours or more. All law enforcement agencies seeking to have In- Service credit granted should adhere to the standards and procedures established by POST and the POST Council.

IV. AGENCY TO MAINTAIN TRAINING RECORDS

The chief administrative officer of an agency employing peace officers or dispatchers is responsible for the recording of all training obtained by his/her peace officers or dispatchers. The record should be accurate and available in the even of an audit or subpoena of training records. This record should contain the following:

- The subject or topic instructed
- The number of classroom or field hours
- The location and date of the training
- The name of the instructor

V. REPORTING TRAINING: AGENCY RESPONSIBILITY

At the conclusion of each training year (July 1 - June 30), agencies employing peace officers or dispatchers are required to report to POST the number of training hours received by each officer or dispatcher employed by that agency regardless of current employment status. This report is due to POST by July 31st and must be submitted electronically.

VI. VIOLATION OF STATUTORY TRAINING REQUIREMENT: ORDER OF SUSPENSION

On July 31st, The Division of Peace Officer Standards and Training will suspend the peace officer powers of any officer who fails to receive and report 40-hours of approved training during the previous training year. Utah Code Ann. § 53-6-202(4). The officer, and the officer's employing agency, will be notified by letter of this action. This sanction will remain in effect until the deficient training is completed and reported to POST; POST will notify the officer and employing agency when the officer's peace officer powers have been reinstated.

Suspended officers who continue to perform the duties and functions of a peace officer will be in violation of Utah Code Ann. § 53-6-202(4) and will be subject to the penalties set forth in Utah Administrative Code, Rule 715-411.

If the officer fails to make up the deficient training by October 1, the officer's name will be reported to Utah Retirement Systems (URS) for determination by URS how the deficient hours will affect peace officer retirement credit. Deficiency hours reported to POST after October 1, will only be used to reinstate peace officer status and will not be reported to URS.

Training received by a suspended officer in a new training year will be credited to the previous (deficient) training year until the deficiency is made up. Training used to clear up an old deficiency cannot be credited to the new training year. (The same training cannot be counted twice.)

If an officer fails to make up the deficiency by July 1, of the following year the officer's status will move from suspended to lapsed. After July 1 the reactivation process will have to be completed to reinstate the officers certification.

VII. AUTHORIZED TRAINING FOR POST IN-SERVICE CREDIT

All training offered by POST is authorized for POST In-Service credit. The authority and responsibility for accepting other forms of training belongs to the chief administrative officer of each law enforcement agency. If the chief administrative officer approves the training, POST will accept that training for credit to satisfy the 40-hour training requirement. However, the chief administrative officer accepts the responsibility and liability for course content and instructor qualification.

The following are examples of training possible for In-service credit. The Chief Administrative Officer of the agency is responsible for determining if the training is acceptable to meet the statutory requirements set forth in Utah Code Ann. § 53-6-202.

A. BASIC TRAINING

Training received during the completion of a Basic Training Session can be credited towards the In-Service training requirement.

B. CREDIT FOR COLLEGE COURSES

One hour credit for each class hour attended at an accredited college or university will be granted for attendance in any college course that is required to earn a degree. The officer should include a copy of the college transcript in his/her agency training file as proof of successful completion of the course.

C. CORRESPONDENCE COURSES

Correspondence courses may be approved for In-Service credit. Prior approval should be received from the officer's chief administrative officer who will determine the number of credit hours the course is worth.

D. COMPUTER AND WEB-BASED COURSES

Prior approval should be received from the officer's chief administrative officer who will determine the number of credit hours the course is worth. Computer and web-based courses should be accompanied by written course outlines and lesson plans, and should include a testing component. Computer and web-based courses may be granted prior approval for In-Service credit by submitting a complete review copy, which shall become the property of POST, to POST by the content provider. In-Service credit may be granted for viewing law enforcement or position related audiovisual presentations (i.e., films, videotapes, satellite programming, etc.), as long as the training includes a structured lecture or classroom discussion regarding the viewed materials.

F. IN-SERVICE CREDIT FOR INSTRUCTORS

Training credit may be granted to POST certified instructors on an hour-for-hour basis; An equivalent amount of credit may be claimed for preparation time. (example: a two hour class is worth four hours of In-Service credit: two hours of instruction plus two hours of preparation) In-Service credit can be claimed by the instructor once each year for each course instructed. No more than eight hours of preparation time may be claimed per year.

G. CREDIT FOR STUDY FOR PROMOTIONAL EXAMS

An agency chief administrative officer may grant up to five hours of In-Service training credit to officers who have studied for, and passed, a promotional examination. Before awarding credit, the agency administrator should ensure that:

- A. PARTIAL YEAR EMPLOYMENT WAIVER
- A full 40 hours of In-Service training is required only if an officer is employed for the entire training year. Officers, who are employed after the start of the reporting period, (July 1), need only to obtain a prorated number of training hours. Therefore, an officer should obtain 3.5 hours for each month employed during the reporting year. (Example: An officer hired in January should obtain 21 hours of In-Service training for that training year.)
- B. LONG TERM DISABILITY, MEDICAL LEAVE, OR RESTRICTED DUTY
- A full 40 hours of In-Service training is required regardless of duty status. To obtain a waiver of the training requirement, the Officer and certifying agency must provide a letter from a physician stating that participating in any type of training including watching videotapes or computer based courses would be detrimental to the officer's health. Those that are granted a waiver will be on a prorated basis for the time defined in the physician's letter of inactivity.
- C. MILITARY LEAVE
- Officers who are actively deployed in military service need only to obtain a prorated number of training hours. Therefore, an officer should obtain 3.5 hours for each month not deployed during the reporting year.
